PERSONAL BACKGROUND

After high school, I found myself in a position where I wasn't sure what I wanted to do, which led me to take a gap year that extended to three years due to the pandemic. However, it wasn't in vain, as during this time, I discovered my passion for programming, ultimately leading me to my current position as a student at Chas Academy in Stockholm.

EXPERIENCE

Krysset, Skellefteå – Restaurant Assistant

2019 - 2022

Fast food employee, who had my fingers in a little bit of everything as this was under the pandemic and we were understaffed.

EDUCATION

Chas Academy, Stockholm – Fullstack .NET

2023 - 2025

Education in .NET development covering a wide range of topics including frontend development using JavaScript and major frameworks, backend applications, and database management.

Baldergymnasiet, Skellefteå – Natural Science

2016 - 2019

Upper secondary school education, with a focus on natural science.

SKILLS

Front-End: HTML, CSS, JavaScript, React, Bootstrap.

Back-End: C#, SQL Database management, APIs using OAuth.

Tools: Git, Github, Visual Studio, Visual studio code, Insomnia.

CERTIFICATION

Freecodecamp:
(New) Foundational C# with Microsoft
